DOCUMENT 1-812/79

MOTION FOR A RESOLUTION

tabled on behalf of the Liberal and Democratic Group

on the budgetization of the European Development
Fund

The European Parliament,

- having regard to the position adopted by all the Institutions in favour of the principle of including in the general budget of the Communities the financial activities of the association Convention with the ACP States,
 - noting that the positions put forward during the 1980 budgetary procedure by the Commission and Parliament on the one hand and by the Council on the other on the budgetization of the fifth EDF still differ greatly,
1. Asks, therefore, for a conciliation procedure to be opened immediately on the arrangements for this budgetization;
 2. Instructs its President to forward this resolution to the Council and Commission of the European Communities.
