Rapporteur: Mr W. SCHUIJT
Chairman of the Committee

PE 41.606/fin.

By letter of 16 June 1975 the President of the Council of the European Communities requested the European Parliament, pursuant to Articles 43 and 113 of the EEC Treaty, to deliver an opinion on the proposal from the Commission of the European Communities to the Council for a regulation on the opening of a tariff quota for new potatoes falling within subheading 07.01 A II of the Common Customs Tariff for 1976, originating in Cyprus.

The President of the European Parliament in Plenary Session referred this proposal to the Associations Committee with the request that it be examined to determine whether the simplified procedure for a **consultation** could be applied.

On 2 July 1975 the Associations Committee agreed to its President's proposal that the simplified procedure should be applied.

During the fourteen days that followed no objections to this proposal for the application of the simplified procedure were received. The President of the Associations Committee, considered therefore to be automatically appointed rapporteur, drew up the following report.
