### HINWEIS

### ADVICE

### AVIS

Wie bereits mehrfach erwähnt wurden ab Januar 1992 der EGKS-Stahlstatistik neue Erhebungsgrundsätze zugrundegelegt. Die vorliegende Ausgabe enthält demnach für bestimmte Tabellen neue Reihen, die mit den bisher veröffentlichten Angaben nicht mehr vergleichbar sind. Im einzelnen handelt es sich um folgende Tabellen:

|            |  |
|------------|--|
| 3.5:       | Erzeugung legierter Stähle                           |
| 3.6, 3.9:  | Brutto-Erzeugung von warmgewalzten Stahlerzeugnissen |
| 3.7, 3.10: | Erzeugnisse aus Warmwalzerzeugnissen hergestellt     |
| 3.8, 3.11: | Flacherzeugnisse mit Oberflächenveredelung           |
| 4.2:       | Werkslieferungen an unlegiertem Stahl                |
| 4.3:       | Werkslieferungen an legiertem Stahl                  |

As repeatedly stated the ECSC iron and steel statistics was based, as from January 1992, on new survey principles. The present edition shows therefore for certain tables new series which are no more comparable with the preceding data. Specifically the following tables are concerned:

|            |  |
|------------|--|
| 3.5:       | Production of alloy steels                 |
| 3.6, 3.9:  | Production of hot rolled steel products    |
| 3.7, 3.10: | Products obtained from hot rolled products |
| 3.8, 3.11: | Coated flat products                       |
| 4.2:       | Works deliveries of non-alloy steel        |
| 4.3:       | Works deliveries of alloy steels           |

Comme annoncé à plusieurs reprises, la statistique sidérurgique CECA a été basée, à partir de janvier 1992, sur de nouveaux principes de recensement. La présente édition contient donc, pour certains tableaux, de nouvelles séries dont les dates ne sont plus comparables avec les données publiées précédemment. Spécifiquement, il s'agit des tableaux suivants:

|            |   |
|------------|---|
| 3.5:       | Production d'acier allié                                |
| 3.6, 3.9:  | Production de produits d'acier laminés à chaud          |
| 3.7, 3.10: | Produits obtenus par transformation de produits à chaud |
| 3.8, 3.11: | Produits plats obtenus par revêtement                   |
| 4.2:       | Livraisons d'acier non-allié des usines                 |
| 4.3:       | Livraisons d'acier allié des usines                     |

|    |                                       |  |                                 |   |               |   |                                   |
