The Bulletin of the European Communities gives details every month (eleven numbers per year) of the activities of the Commission and of the other Community institutions. It is edited by the Secretariat of the Commission of the European Communities (rue de la Loi 200, 1049 Brussels) in the official languages of the Community and also in Spanish.

Reproduction of the text is authorized on the condition that the source is indicated.

In order to facilitate consultation of the Bulletin in the different language editions, the texts are numbered according to the following system: the first figure indicates the part, the second the chapter and the last two indicate the different points in the chapters. Quotations should be presented, therefore, in the following manner: Bull. EC 1-1976, point 2108.

*The Supplements are published separately as annexes to the Bulletin. They include the official texts of the Commission (communications to the Council, reports, proposals) of the documents published under the double responsibility of the Council and of the Commission. The Supplements are not published in Spanish.*
