

COMMISSION OF THE EUROPEAN COMMUNITIES

COM(77) 659 final

Brussels, 9 December 1977

Proposal for a
COUNCIL REGULATION (EEC)

amending Regulation (EEC) No 2727/75 and (EEC) No 1418/76
as regards the export refunds for cereals and rice exported
in the form of goods not covered by Annex II to the Treaty

(submitted to the Council by the Commission)

COM(77) 659 final

EXPLANATORY MEMORANDUM

Article 16 of Council Regulation (EEC) No 2727/75 and Article 17 of Council Regulation (EEC) No 1418/76 permit the granting of refunds for basic products exported in the form of goods listed in the respective Annexes B to these Regulations.

The purpose of this draft regulation is to extend the list of goods already given in the two annexes by adding those products shown in Articles 1 and 2. The lack of export refunds for Community products exported in the form of the goods listed in the draft has led important processing industries - for example producers of starch based enzymes and penicillins - to make increasing use of imported materials under t.p.a. arrangements to the detriment of indigenous crops.
