

COMMISSION OF THE EUROPEAN COMMUNITIES

COM(79) 642 final
Brussels, 19 November 1979

Proposal for a
COUNCIL DECISION

opening a quota for imports into Italy of tractor
transmissions of heading ex 87.06 of the Common
Customs Tariff originating in Romania

(submitted by the Commission to the Council)

COM(79) 642 final

EXPLANATORY MEMORANDUM

1. In accordance with Article 3 of Council Decision 75/210/EEC of 27 March 1975 (1) on unilateral import arrangements in respect of State-trading countries, Italy has submitted the following request for the exceptional opening of a quota for the importation from Romania of 6.000 transmissions for tractors (CCT ex 87.06).

2. The following observations may be made in connection with these requests: The products in question are subject to quantitative restrictions only in Italy. In these circumstances, the exceptional opening of this quota for 1979 which has been requested by Italy would not seem to pose any particular economic problems, and could have been approved by the Commission in accordance with the usual procedure.

3. However, in view of the trade negotiations, authorised by the Council, being carried on with Romania (agreement on industrial products), under the first indent of Article 7 of Decision 75/210, only the Council can at the moment approve these measures.

4. The Commission therefore proposes that the Council:
 - adopt the decision, the draft of which is annexed hereto;
 - authorise its publication in the Official Journal of the European Communities.
