Basée sur des informations, rassemblées par les services de la Direction Générale de l'Agriculture, dans le cadre de l'application de la politique agricole commune, la publication "Marchés Agricoles - Prix" contient des données concernant les prix fixés par le Conseil ou par la Commission et les prix constatés sur les différents marchés de la Communauté.

La table des matières (page 1) mentionne les produits traités.

Les tableaux donnent l'évolution, pour une période de plusieurs semaines et de plusieurs mois, des:

- montants fixés,*
- prix de marché (si possible),*
- prélèvements envers pays tiers,*
- prix sur le marché mondial (si possible).*

En outre, quelques graphiques ont été insérés dans la publication.
